Text Description

Bed 1 is on the top left, adjacent to the Living room on its right, while Bed 2 is on the right of the Living room; below these rooms is a Corridor connecting to Bed 3 in the bottom center, flanked by two Bath rooms on either side, with the Kitchen on the far right bottom corner.

The central Corridor is flanked by a green Kitchen (bottom-left) and a blue Bath (above the Kitchen, left side); it connects upward to a top-left Bed (with a blue Bath directly above that Bed), rightward to a top-right Bed (above the orange Living room), and downward to a bottom-right Bed (below the Living room, right of the Corridor's lower section).

Bedroom at the top left above the bathroom and to the left of the corridor; the kitchen is below the corridor and adjacent to the bathroom; the living room spans the right side, bordering the corridor and kitchen.
