Rendered Floor Plan

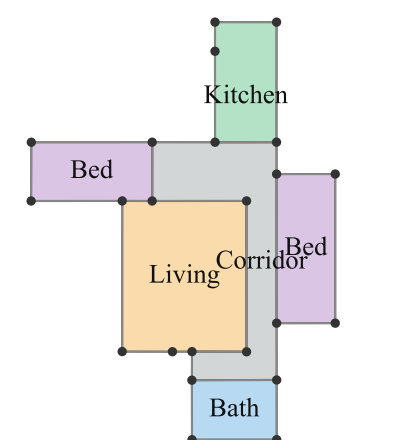

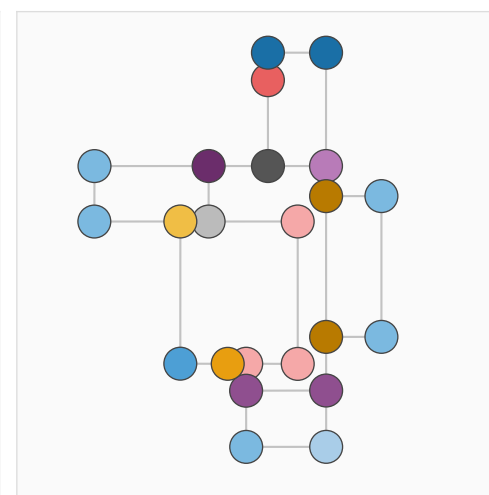

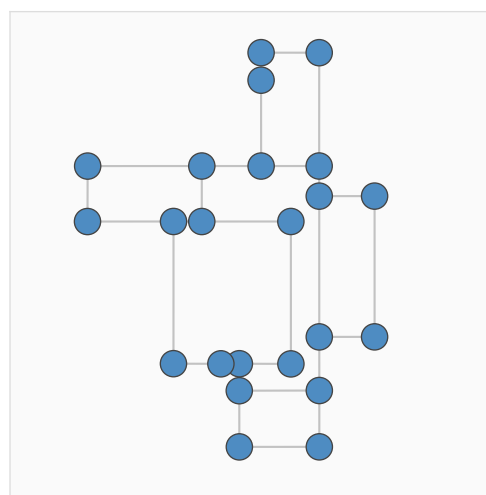

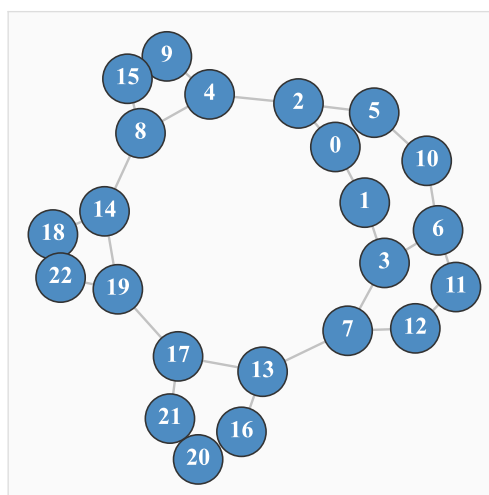

The living room is on the left, adjacent to the corridor on its right and the kitchen above it. The corridor runs vertically on the right side, connecting the kitchen at the top, the living room in the middle, and a bathroom at the bottom. A bedroom is located to the right of the corridor, flanked by the kitchen above and the bathroom below.

The bedroom is at the top left, adjacent to the kitchen on its right and the living room below it. The kitchen is at the top right, above the corridor. The corridor runs horizontally below the kitchen, connecting the living room on the left and a bathroom on the right.

The living room is on the left, adjacent to the corridor on its right and a bedroom below it. The corridor connects the living room, the kitchen at the top right, and a bedroom at the bottom right, with a bathroom situated between the two bedrooms.

The kitchen is at the top center, flanked by a bedroom on its left and a bathroom on its right. The living room is at the bottom center, connected to the kitchen via the corridor above it. A second bedroom is to the left of the living room, adjacent to the first bedroom.
